	<p>Hello, and thank you for calling Adamsville Healthcare and Rehabilitation Center, home of skilled nursing, rehabilitation and the area's only Secure Memory Care Unit. It is our team's privileged opportunity to care for you or your loved one with service from the heart. We are so glad you called and invite you to visit soon to meet our team and tour our warm, cozy facility.</p> <p>We look forward to speaking with you momentarily; please hold for a member of our Adamsville team.</p>	1
	<p>With dedicated physician oversight and communication, our Adamsville Healthcare and Rehabilitation Center team delivers consistent quality outcomes resulting in exceptional resident care.</p> <p>We are proud to offer physical, occupational and speech therapies 7 days a week. Services also provided include wound care management, IV therapy, tracheostomy care, long-term care, Alzheimer's and dementia care, hospice care, and respite stays.</p> <p>Your questions are always welcomed. We will be with you shortly.</p>	2

	<p>It is our goal at Adamsville to provide compassionate care to those diagnosed with Alzheimer’s disease and other related cognitive disorders. Complementary therapies and non-pharmacological interventions are encouraged in our Secure Memory Care Unit, where staff endeavor to provide a home-like setting with a calming blend of Southern charm and comfort, as well as individualized activities.</p> <p>Residents can also visit our Multi-Sensory Room to experience a gentle stimulation of sight, sound, touch, smell, and movement in a controlled way, all of which helps to boost feelings of well-being, and relieve stress and pain.</p> <p>Schedule your Multi-Sensory Experience today!</p>	3
	<p>As the old saying goes, there is truly no place like home. For this reason, Adamsville Healthcare and Rehabilitation Center offers private suites and semi-private rooms with flat screen TVs and WiFi, as well as community spaces such as the indoor fireside sitting area, family living room and seasonal outdoor gardens.</p> <p>Our residents also enjoy fine dining experiences with open dining hours and an open menu, including vegetarian diet selections. Our Resident Council even votes on one special meal a month for our registered dietitian and team to prepare!</p> <p>Your call is important to us; please stay on the line and we will be right back with you.</p>	4

	<p>At Adamsville, we strive for comfort and an increased quality of life by offering plenty of wellness opportunities, including daily activities and onsite beauty and barber shop visits! Additionally, we have a Sensory Spa featuring tiled walk-in showers, whirlpool tub, aromatherapy, and music.</p> <p>Our residents and guests alike also enjoy talking on our shaded back porch, or relaxing in one of our lovely courtyards on a beautiful day.</p> <p>So many options! Please continue to hold and be sure to schedule your visit today!</p>	5
	<p>From live music events, field trips and exercise classes, to outdoor gardening, religious services or just cuddling with our resident dog, the Daily Activities Calendar is always full, providing unique experiences that support a positive outlook.</p> <p>Adamsville Healthcare and Rehabilitation Center is located at 409 Park Avenue in Adamsville, Tennessee, just one block from Interstate 64.</p> <p>We look forward to meeting you!</p>	6
